Eric,

As requested, I am sending you the preliminary analytical results for the soil sampling event conducted at the Canadian Radium and Uranium Site on August 5 through 7, 2015. Based on you requested deliverable schedule and order of priority, we will send you data tables and maps for this site after we have concluded the data tables and maps for the Niagara Falls Blvd and Holy Trinity Sites.

If you have any questions please let me know.

Thanks,

**Ben Nwosu**
